**BUILDING CODE
 PROCEDURE**

02-300

Updated 10/5/07

This procedure describes the process for the application of a Fireworks Display Permit conducted in Yakima, Washington under the Yakima Municipal Code, Chapter 10.15.

WHEN IS A PERMIT REQUIRED?

A permit is required for any person to make a public display of fireworks within the city limits of Yakima, Washington.

I. PERMIT APPLICATION

- An application to make a fireworks display shall be made in writing to the Code Administration Manager or his designee for that purpose;
- A \$50 fee for each display and a \$47.00 fee for plan review and a site inspection;
- The City Manager may waive the fifty-dollar fee for student organizations;
- **Application shall be made at least 10 days in advance of the proposed display for City Manager approval;**
- The City Manager may grant or deny the application and place reasonable conditions on any such permit issues;
- The permit is not transferable.

II PYROTECHNIC OPERATOR

The applicant for a permit for a public display of fireworks shall, at the time of application;

- Submit their license issued by the State Fire Marshal for inspection;
- Also, submit to the Code Administration Manager or his designee, a certificate of insurance in an amount not less than twenty-five thousand dollars and one million dollars for each person and event respectively;
- And not less than twenty-five thousand dollars for property damage liability for each event;
- Such certificate of insurance shall also name, as additional parties, the City of Yakima, its officers and employees acting

Doug Maples, Code Administration & Planning Manager

- Displays after 10:00pm need additional approval from the City Council

III. SITE PLAN / INSPECTION

A site plan must be provided indicating the location of the fireworks;

- The site plan will be reviewed by a City of Yakima fire inspector;
- A city of Yakima fire inspector will make a site inspection prior to the display.

IV. AREA NOTIFICATION

It is the responsibility of the **applicant** to notify the surrounding neighborhoods of the display as to the times and location.
